

# Discover Transportation Engineering

May 29 - 31, 2024

## Calling Future Engineers

For all interested high school students.

Come and find out why transportation is a rewarding career and how you can make an impact!

Apply for the program here:  
<https://ntc.unl.edu/discover-transportation-engineering-application>

## Experience UNL & Lincoln

Students will spend 2.5 days and 2 nights at the University of Nebraska-Lincoln where they will meet industry professionals and tour their workplaces, and compete to create solutions to transportation engineering problems.

## Invest in your Future

All expenses will be covered by the Nebraska Transportation Center, except for a \$25 registration fee.

## THIS PROGRAM IS SUPPORTED BY:

This event is privately-sponsored and is neither sponsored nor endorsed by Lincoln Public Schools.
