

2024 program participants

# Discover Transportation Engineering

June 4 - 6, 2025

## Calling Future Engineers

For incoming freshman and recently graduated high school students!

Come and find out why transportation is a rewarding career and how you can make an impact!

## Experience UNL & Lincoln

Students will spend 3 days and 2 nights at the University of Nebraska-Lincoln, where they will meet industry professionals, tour their workplaces, and participate in engaging transportation engineering activities focused on problem-solving skills!
